

January 2016

THE GOAL OF ETT - AAP is to have a body of practitioners operating with the same technique, procedure, standards and objectives.

The mission of ETT - AAP is to grow ETT and “Perfecting the Equine Athlete” as a technique of improving movement, soundness and well being of the Equine and Equine Athlete.

To be a member of ETT - AAP the requirements are as follows:

- A graduate of BSET Academy
- Submit an application to write the ETT Advanced Level through BSET Academy. The ETT Advanced Level can be done through correspondence,
- Complete and pass the ETT Advanced Level 2016,
- Submit the ETT-AAP membership application form,
- Attendance of Annual ETT Conference, via Skype if unable to attend,
- Sign and return ETT-AAP Professional Code of Conduct agreement,
- Pay ETT - AAP annual membership fee.

Being a member of ETT Association will provide practitioners the following benefits:

- Use of the ETT logo
- With the established ETT brand, members will be registered, promoted and advertised as official ETT practitioners.
- Access to the ETT database of case studies, research and results
- Invitation to the annual ETT conference
- ETT Newsletters will be sent out bi-annually

To maintain your membership of ETT - AAP

- Yearly continued professional development
- Provide yearly information on hours of ETT work done
- Attend ETT - AAP Annual Conference

ETT Association Annual Conference:

- Discuss papers produced by BSET Academy during the academic year
- A yearly Anatomy Exam
- Presentation on Lameness by a Vet
- Business Motivational Lecture
- New theories, findings, information and work in development will be discussed.
